Emergency Pavement Repair on Westbound Interstate 190

CHICAGO – The Illinois Department of Transportation (IDOT) announced that overnight closures will take place on westbound Interstate 190 at Mannheim Road, in Chicago, beginning, weather permitting, Friday, June 24. The closures are necessary to perform an emergency pavement repair.

Beginning at 11:59 p.m. tonight, the two right lanes on westbound Interstate 190 will be closed at Mannheim Road. One lane will remain open for the duration of the repair. The ramp from westbound Interstate 190 to northbound Mannheim Road also will be closed. All closures are expected to reopen by 10 a.m. Saturday, June 25.

This work zone is expected to affect travel into O'Hare International Airport.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
